1 Authentication

The first step in accessing the professor portal is to log in. To begin simply click on the "Sign In" button on the welcome page.

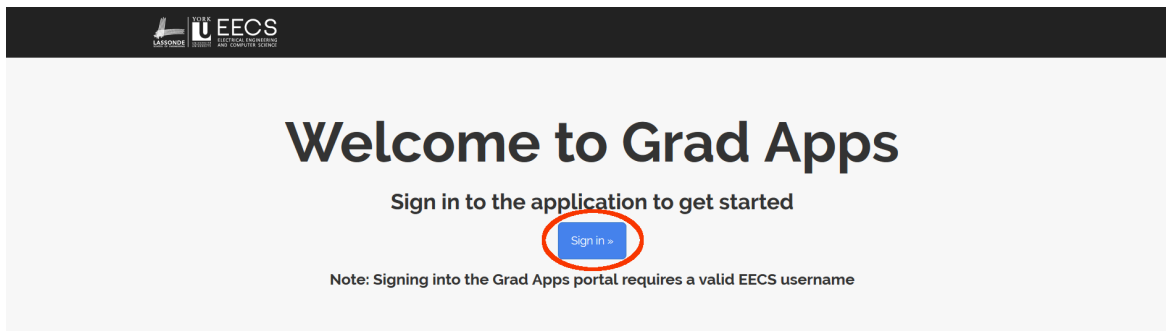

Figure 1: Welcome Page

Once that is done you will be redirected to the login page. Simply input your username, password and click the log in button to begin selecting your role. After being authenticated to the system you will be redirected to the role selection page.

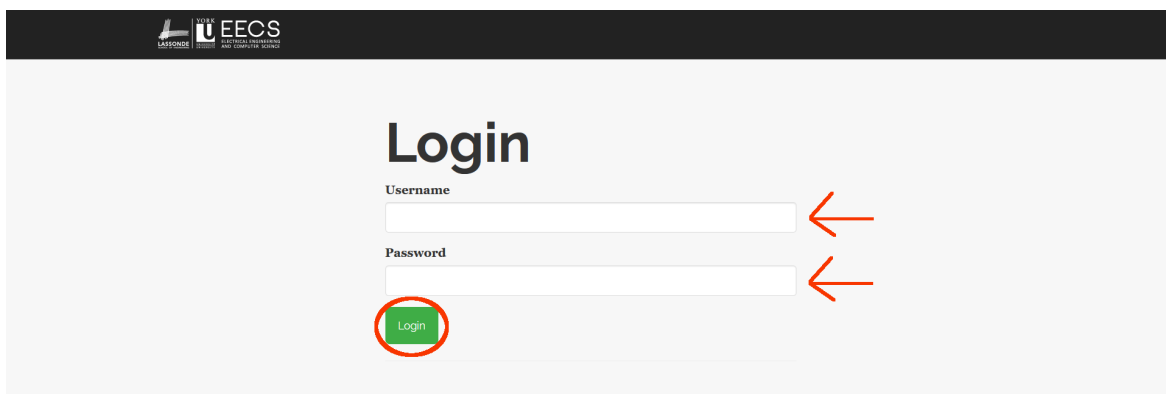

Figure 2: Login Page

Note: If the credentials you have provided are invalid you will be greeted by an error message.

2 Selecting Your Role

To access the professor portal you must be signed in and select the professor role. The subsections below describe the methods for selecting the professor role.

2.1 Role Selection Page

After logging into the system you will be redirected to this page. Simply click on the 'Continue as Professor' button to access the professor portal.

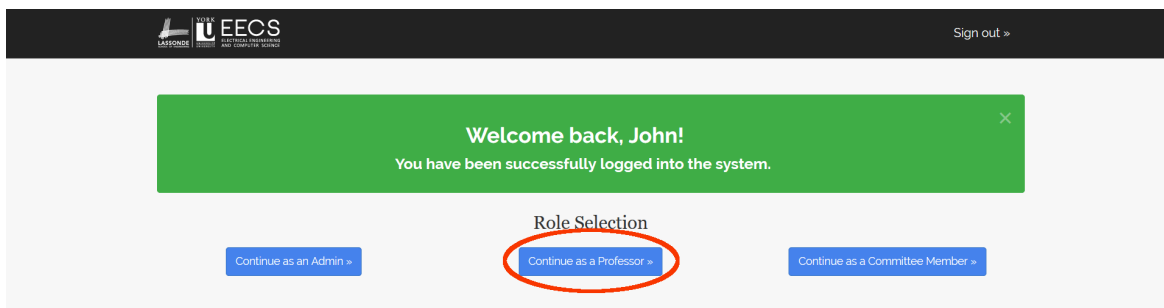

Figure 3: Role Selection Page

Note: To access the admin/committee/professor portal you must be granted the respective permissions from an admin.

2.2 Navigation Bar

If you have selected another role and wish to switch roles you will be presented with an option on the navigation bar. Click on the dropdown menu that displays your current role and select your desired role.

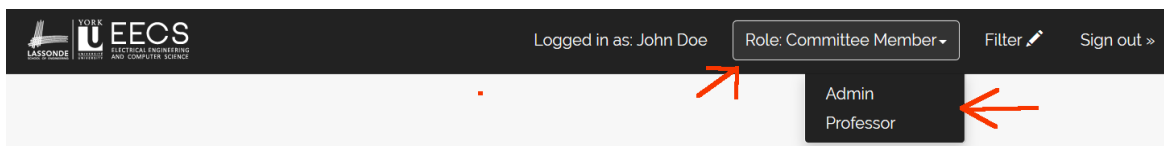

Figure 4: Switch Roles

Note: To access the admin/committee/professor portal you must be granted the respective permissions from an admin.

Once you have selected the professor role you will should see a page similar to the one below

3 Filter the Table

Once you have been given access to the professor portal you will be granted the ability to see all the students who have applied. To help find applications that are relevant to you, simply filter the table using the steps below.

3.1 Opening The Modal

First open the modal. To do so click on the 'Filter' button on the navigation bar.

The screenshot shows the EECS4090 Project application portal. At the top, there is a navigation bar with the EECS logo, the text "Logged in as: John Doe", "Role: Professor", a "Filter" button with a pencil icon (highlighted with a red arrow), and a "Sign out" button. Below the navigation bar is a table of applicants. The table has columns: Applicant Name, Gender, Fields of Interest, Preferred Professors, Committee Rank, GPA, Degree Applied For, Visa Status, Program Decision, Contacted By, Requested By, My Interest Status, and Actions. The table contains 7 rows of applicant data. At the bottom of the table, there is a footer that reads "Gradapps 2.0 / Edward Vaisman, S. Sakib Hasan".
